

FRENCHSYS MULTI-SERVICES PACK: DEDICATED TO VENDOR NEEDS

**Access to
Technical Library**

**Expert
Assistance**

All documents

**multi-brand / multi-channel /
multi-technology**

for the integration, development and
operation of electronic payment
solutions⁽¹⁾

*(protocols, manuals for the various types
of payment and withdrawals,
configuration documents, migration
guides, etc.)*

**FrenchSys experts are
available**

**to support customers in their
implementation and to answer
any requests for information**

Invaluable support for integration,
development and operation.

**Pricing is based on declarations related to the sales turnover generated by the marketing of products developed with
the licensed documentation**

For subscription terms and pricing, please contact us at contact@frenchsys.com

(1) This does not exclude the need for the vendor to obtain possible licenses as is the case at present (e.g. EMVCo, Visa, Mastercard, etc...)

**FrenchSys
Common
Compliance
Scheme Process**

Key elements of the offering

Provide "end-to-end" support by our experts for the preparation of the application file to be submitted for approval to one or more payment schemes

Important:
The decision and granting of approval is the sole responsibility of each scheme

This service is tailored to your needs and the level of complexity of the relevant scheme.

For subscription terms and pricing, please contact us at fccs@frenchsys.com
